B.Tech (IT), Jabalpur Engineering College - 2027

PROFESSIONAL SUMMARY

Full Stack Developer specializing in MERN Stack with hands-on experience in building scalable web applications, REST APIs, and real-time systems using WebSockets. Strong understanding of Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, and Computer Networks. Passionate about solving real-world problems through software development and continuously learning modern technologies.

EDUCATION

B.Tech Information Technology
Jabalpur Engineering College

CGPA: 6.79

Expected Graduation: 2027

TECHNICAL SKILLS

- Languages: Java, C, JavaScript, TypeScript
- Frontend: React.js, HTML5, CSS3,
- Backend: Node.js, Express.js
- Databases: MongoDB, MySQL
- Developer Tools: VS Code, Git/GitHub, Postman, Vercel, Render
- Core Fundamentals: Data Structures & Algorithms (DSA), OOPS, DBMS, OS, Computer Networks

PROJECTS

Campus-OLX | - Full-Stack MERN

- Developed a full-stack campus marketplace application enabling students to buy, sell, and manage items with secure JWT-based authentication.
- Built an admin dashboard for user and listing verification, and implemented a dedicated Lost & Found module to simplify item reporting and recovery within the campus community.

Chatty | MERN + WebSockets

- Developed a real-time chat application using MERN Stack and WebSockets.
- Implemented secure user authentication and instant message synchronization.
- Optimized client-server communication to deliver a low-latency messaging experience.

Notes App | MERN Stack

- Developed a secure note-taking application using the MERN Stack with complete CRUD functionality.
- Implemented user authentication for secure access and personalized note management.
- Designed a responsive interface for creating, updating, deleting, and organizing notes.

Winner – Campus Hackathon (Best in Domain)

- Developed an AI-based system using the MERN stack to identify tumor locations from MRI scans.
- Engineered the full-stack integration between the AI model and a responsive web interface.
